

RA-MW-A9-12-RT1-10

Accessories – Measuring Wheel

For Solid Shaft Encoders

Technical data

Type	RA-MW-A9-12-RT1-10
ID	100038312
Ambient temperature	-30...+80 °C

Features

- For length measurement
- Circumference: 12"
- Material: Aluminum
- Surface: Polyurethane, studded
- Application area: coarse textiles, carpets, cable measurement, fleece, cardboard, wood, plastics
