

RA-MW-A9-12-PC1-10

Accessories – Measuring Wheel

For Solid Shaft Encoders

Technical data

Type	RA-MW-A9-12-PC1-10
ID	100038313
Ambient temperature	-30...+80 °C

Features

- For length measurement
- Circumference: 12"
- Material: Aluminum
- Surface: Polyurethane, grooved
- Application area: ungreased metals, painted surfaces, plastics, cardboard, wood, textiles, glass, floor coverings
