

New Managing Director for Turck Sweden

The 42-year old José Ramalho leads the Turck subsidiary in Sweden since 1 September

Mülheim, September 14, 2017 – Since September 1, 2017, José Ramalho is the new Managing Director of the Turck subsidiary in Sweden. Ramalho has 20 years experience in the automation industry, most recently as a sales manager in the field of process automation. In addition, he was responsible for the system and project management team of his former employer.

"I am pleased to be part of the Turck family and am looking forward to the challenges ahead," so Ramalho to his appointment. The Swede with Portuguese roots is married and has two children. One of the central tasks of Ramalhos will be the expansion of the Swedish Turck offices to one own subsidiary. To do this, more staff will be hired in the near future.
